

Priority Permission Increase Form

We request the increase of the user account _____ to perform CLAS12 simulations offsite, with the details below:

- Task name _____
- User _____
- Channels _____
- Event generators _____
- Kinematics _____
- Detector configuration (for instance RGB-Spring19, ...) _____
- Desired statistics (M = millions of events, B = billion, T = trillion) _____
- Disk space needed for storage _____ TB
- CPU time estimate _____ Million Core Hours
- Date of Start of High Priority: _____
- Duration of High Priority: _____ Days
- Test with actual configuration performed: YES NO
